Early Interventions: Dumfries & Galloway Justice Social Work and Youth Justice Social Work

With noted success, D&G Justice Social Work and Youth Justice Social Work strive to steer children, young people and adults away from the attention of Police and other authority figures. In doing so, a variety of schemes and techniques are adopted by staff across the Region. SASO provides an opportunity to discuss recent progress and the efforts that ensure D&G stays abreast of developing practice across Scotland.

Speakers:

Gary Cochrane - Senior Social Worker

Angela Logan - Social Work Assistant, Youth Justice Services

Shannon Buchan - Social Worker, Youth Justice Services

Solicitors & Advocates may claim CPD time for attendance at SASO lectures.

Refreshments available.

The aim of SASO is to bring together people with a wide range of experience in the criminal justice system so that by listening, talking and sharing experience, a better understanding of our common problems will develop.
